The City of Chilliwack acknowledges that we are honoured to live, work, and play on the traditional, ancestral and unceded territory of the Stó:lō Coast Salish peoples.

ORGANIZATIONAL PROFILE

Chilliwack is the second-fastest growing municipality in Canada, with a vibrant community of 100,000, located 100 kilometers east of Vancouver. With a commitment to quality of life, maintaining service levels, and keeping its community vibrant and healthy, the City is investing in long term planning for community projects and infrastructure without going into debt. The City understands that it is vitally important to find new ways to conduct the business of government for less and persist in improving the quality of life for all residents.

ABOUT THE ROLE

Reporting to the Director, Engineering, the Manager, Transportation & Drainage is responsible for leading and overseeing a professional team and the functions relating to the transportation network and drainage systems within the City. The Manager administers and coordinates the budgets, capital works, and operations and provides a high standard of leadership, technical advice, and support to across the organization. The Manager engages in cross-departmental collaboration and project implementation, with a demonstrated commitment to exemplary service delivery.

The ideal candidate will have a degree in Civil Engineering with emphasis in public sector transportation, drainage, and/or flood protection infrastructure with the ability to obtain registration with the Association of Professional Engineers and Geoscientists of BC. The ideal candidate will bring five years of progressive management experience within a municipal government, public sector, or other related organization. The position requires excellent communication skills, relationship building, and political acumen with the ability to interpret local government legislation, bylaws, and policies. An equivalent combination of training and experience will be considered.

The salary range for this role is: \$113,000 - \$141,000.
